14TH June 2011

For the attention of Mr Colin Hudman.

Dear Sir,

Ref; Small Bodies in England, Annual Return year ended 31st March 2012.

Further to our telephone conversation on the 13th June 2010 with reference to the incomplete form section 2.

As stated I will sign the form on pages 2 and 3 with your confirmation by telephone that all the details in section 2 items 1 to 8 should have been marked as a yes tick in that column and this will be amended once returned to the Treasurer's office.

Please can you confirm in writing that has been carried out.

In the mean time I will ensure that this will not happen again and will place on the agenda that the annual return can be presented before June 2013.

I have also asked Diccon Bright to send this letter to all members so that they are aware of this.

Yours Sincerely

Malcolm Cross.
