West End Youth Projects	Water Fountains	The money will be spent on installing three refillable water fountains for users of the parks and play areas in west end. This will be used to refill their water bottles. The purpose of the stations will be to cut down on young people drinking sugary drinks, it will cut down on litter left in the area as well as promoting reducing single use plastics.	The main aim of the youth club is to ensure that young people are prepared to transition into adult life. We do this by developing their personal skills as well as giving them the opportunity to socialize. We also aim to promote healthy lifestyles. We do this through playing sports, healthy eating and cooking, and educating young people through informal learning. We have recently set up a recycling scheme which encourages young people to reduce waste and care more about their environment.	100	£500.00	£500.00

1st Hedge End Guides	once in a life time trip to Adelboden in Switzerland	August 2020. 30 members of the unit are going on a once in a life time trip to Adelboden in Switzerland the home of "Our Chalet" the very first Girlguiding International Centre established in 1932. As part of our visit to Our Chalet we would like to participate in a very special ceremony at the flagpole which includes the presentation of a traditional Our Chalet pin, and the raising of the flag, followed by a guided tour of Our Chalet. We are asking for £300 as this is the difference between the cost of a simple self-guided tour visited which without the funding is all we have the budget to do and the cost of the pin ceremony. The ceremony put much more meaning into the visit reaffirming everything Girlguiding stands for throughout the world. The visit to Our Chalet will further relationships in the International Community as we meet with other Guides from around the world. We are doing fundraising for many aspects of the trip in order to keep the cost down and keep it inclusive by being affordable for all.	We want all girls across the UK to have the space and opportunities they need to thrive, grow and give back to their communities Nationwide more than 400,000 girls already meet regularly as Rainbows, Brownies, Guides and Rangers. Together they learn skills, grow in confidence, make lifelong friendships, help their communities and have lots of fun. Guiding is so much more than an after school activity or just a way for girls to spend an evening.	37	£300.00	£300.00
3rd West End Guides		Equipment: Skandia Nimbus Protect 12 person tent with a sewn-in groundsheet	We offer girls between the ages of 10 and 14 the opportunity to take part in a variety of activities designed to give them fun, friendship and skills for life. By giving them a safe, girl only space, they are free to be themselves and a place where they can talk openly about what affects their daily lives and get support from the other girls and adults which is beneficial for mental well-being.	8	£500.00	£300.00
