

Item 11

To consider the following Motion, to be moved by Councillor Dean, and seconded by Councillor Tidridge:

In the light of the declaration by Eastleigh Borough Council of a Climate Change and Environmental Emergency and in addition in order to achieve the Council's air quality objectives to meet its Healthy Borough Objective; Council resolves to:

- (1) add the development of a new railway station at Allington Lane to its Climate Change and Environmental Emergency Action plan; and

- (2) Work with relevant external stakeholders to promote and support the development of the station.
