Also allow us to purchase new footballs and training aids as many are worn out or damaged. We normally have sponsors to assist in this but under the current financial climate our existing sponsors cannot afford to assist us and new sponsors are very hard to find.	£1,000	£500	
Music Fun Factory	Music is expensive £25 per set. I would like to add some exciting tunes to our repertoire. I would like to offer our services to charities, fairs etc to get our name out there and encourage more people to join. We can't do this without a wider repertoire of music.	£150	£150
