

Organisation Name	How will grant be spent	Amount applied for	Amount Recommended	Grant conditions/notes
Hunters Explorer Scout Unit	We want to provide a mess tent and dining shelter for the young people to use on camping and residential weekends, this will provide an area for cooking, eating and a communal are within our camp sites.	£500.00	£500.00	
23rd Itchen North Scout Group	The grant will be spent on equipment for our new squirrels section, we are the only scout group in the area, and district offering squirrels and there is a lot of equipment we need to get it off the ground. 02/12 - cooking equipment and tents	£400.00	£400.00	
Hedge End Town Council	£250 for games console- either Nintendo Switch or X Box Series 5 £100 for extra controllers £150 for games which can be played together like Just Dance, singing, sports This equipment will be used during FNP and Junior Youth Club sessions especially when weather is bad and we are all inside. We operate from The Hub which is part of Wildern School and all session equipment has to be taken out and packed away each time so we have limited resources due to storage etc. We currently have a Wii and very old X box and Playstation so would like some up to date gaming equipment. This is constantly requested by the young people.	£500.00	£500.00	
13th Itchen North Scout Group	The Group needs to replace its two event shelters - used for protection from sun/rain for a number of events throughout the year including day events and camps.	£350.00	£350.00	
The d.@rt Centre, Wildern School	Holiday Activities : £30 per week x 8 weeks =£240 Junior designers and junior art club 24 sessions per year x £10 per session = £240 Total £480	£480.00	£480.00	
The d.@rt Centre, Wildern School	4 Wooden planters and a contribution towards a water feature	£500.00	£500.00	
31st Itchen North (Amazon) Sea Scouts	The grant will go towards the purchase of a new 3.6 metre Newmatic safety boat, including 15hp outboard engine and launching trolley/road trailer. The new boat would replace an existing boat that is over 30 years old. The boat is used for supervising paddling and sailing activities in areas of the River Hamble where the water depth is low, and for teaching older young people power boat handling skills.	£500.00	£500.00	

1st Hedge End Guides	We are requesting a grant to help towards the costs of buying equipment that will be used many times in the unit over many years in order for us to deliver the recently changed programme whilst teaching the Guides new skills and developing them to higher levels. These skills will gain them badges which will lead to their attainment of their Bronze, Silver and Gold awards as well as giving them lasting skills for life. The equipment we are looking to purchase is to support the Have Adventures theme designed to give the girls the chance to overcome fears, try new activities and learn survival skills. Getting outside and having adventures has always been an important part of guiding. To deliver this part of the programme safely we need to purchase a variety of kitchen and bushcraft/survival (mora) knives, cut resistant gloves, drills and drill bits, pyrography irons and heat resistant gloves and glass engraving kits. The leaders have already undergone training and have many years experience in the use of these tools to be able to safely deliver sessions to the Guides. We normally fundraise throughout the year with various events but with so many events having to be cancelled in 2020 and 2021 we have found ourselves 80%, around £3000 each year, down on our fundraising for these years which strongly limits our ability to buy resources and deliver a balanced and varied programme.	£500.00	£500.00	
Wildern Opportunity Group	We would like to facilitate monthly activities that are hosted by organisations within the community to allow the children to engage in structured activities within a safe environment. The aim of these activities is to help the children try new things which potentially will lead to wider engagement within the community.	£500.00	£500.00	Subject to details on sessions.
Wellstead, St. James, Botley Primary Schools	The money would be used Resources including toys, books, motivational resources, stickers, reward charts. Every parent will be given a handbook which costs £13, plus other resources including self-care resources, reward charts, games, etc. We will need to provide weekly refreshments like coffee, tea and biscuits (approximately £10 per week). Resources including flip chart pads, pens, A1 visual boards to communicate program content.	£500.00	£500.00	
Berrywood School	Our aim is to raise money for the school to pay for items that the school budget does not allow for. In this particular instance, we are very keen to help fund some of the equipment to facilitate activities in the new creative arts centre. These would involve art, music, drama and cooking. We are keen for the school to have high quality resources for both the children and community to use.	£500.00	On hold pending further info	
		£5,230.00	£4,230.00
