RECOMMENDED ITEMS (REQUIRING A DECISION)98. ADOPTION OF EASTLEIGH BOROUGH LOCAL PLAN (2016-2036)Issue

In October 2018 Council approved the submission of the Eastleigh Borough Local Plan (2016 – 2036). In May 2021 Council approved the Inspector's proposed main modifications to the Local Plan for public consultation. These proposed modifications deleted the Strategic Growth Option (SGO), and otherwise adjusted some settlement gaps and made a range of generally relatively detailed changes which did not change the overall shape of the submitted Plan. The Inspector's final main modifications only very slightly alter the proposed main modifications which have already been approved by Council for consultation in May 2021. It is recommended that the Council formally adopts the Local Plan (2016 – 2036). To do so the submitted Plan must be updated to incorporate all of the Inspector's final main modifications, with no other material amendments being made. (Additional modifications are recommended which do not materially affect the Plan).

Consideration

The adoption of the Eastleigh Borough Local Plan (2016 – 2036) will ensure the Development Plan against which planning applications are determined is brought up to date. The Plan promotes sustainable development (meeting economic, social and environmental needs).

RESOLVED –

That Cabinet recommends to Council to:

- (1) Incorporate the Inspector's Main Modifications, and the additional modifications, into the submitted version of the Local Plan, and so adopt the Eastleigh Borough Local Plan (2016 – 2036) (Appendix 1) and the associated Policies Map (Appendix 2);**

(2) Note that the adoption of the Eastleigh Borough Local Plan (2016 – 2036) will make it the main part of the adopted development plan for the Borough against which planning applications are determined, replacing all saved policies of the Eastleigh Borough Local Plan (2001 – 2011); and

(3) Withdraw the draft Eastleigh Borough Local Plan (2011 – 2029).
